Another Excuse Is Offered For High Level Bay Bridge

Deed To State May Cause Added Cost For Low Level Bridge

SACRAMENTO — (CNS) — The division of beaches and parks may have an ace-in-the-hole in its fight to discourage a bridge across Emerald Bay and a road through two state parks, in the form of the deed granting property to the state for D. L. Bliss State Park.

The deed grants 234 acres to the state for "the purpose of a public park" in memory of Duane L. Bliss and Elizabeth Tobey Bliss.

The land from the Bliss family covers the point from which the proposed bridge would be built.

Dispute has arisen over construction of an all-year road around the western shore of Lake Tahoe.

The division of highways has prepared studies showing the feasibility of a high level route around Emerald Bay and a low-level route which would cross the mouth of Emerald Bay and cut across D. L. Bliss and Emerald Bay State Parks.

Construction of any type, including campgrounds, is forbidden under terms of the deed which was drawn in February 1929. The division of beaches and parks has never built anything on the site.

The deed says the state can hold the property only for the purposes of a park.

The deed outlaws such contrivances as merry-go-rounds and shooting galleries.

Robert Reed, chief of the division of contracts and right of way, said in cases of this sort the state can condemn the property but said it would be a matter for the courts

Rocket Tests Are Made At Valley

The first of a series of rocketry tests to control avalanches were conducted last Saturday near Squaw Valley by forest service and state beaches and parks personnel.

The rockets were obtained by Monty Atwater, Squaw Valley avalanche expert, who recently returned from a 3-day rocket demonstration course set up at Fort Ord through the cooperation of the 6th Army headquartered in San Francisco.

The object of the tests is to find rockets that can be fired accurately at large snow masses to release potentially dangerous avalanches. In the Squaw Valley area the 75mm recoilless rifle has been doing a job in shooting down the avalanches after every major storm and thereby making the slopes safe for recreation skiers. However, lightweight rockets that can be fired from a shoulder-mounted launcher will further speed up the avalanche control job, reduce costs and increase the skier's hours on the slope, Atwater said.

Assisting Atwater were Paul Madden, forest ranger from the Big Bend district, Norman Anderson, Truckee district snow ranger and Doug Metcalf, Squaw Valley State Park snow ranger. The rockets fired proved to have good accuracy but two landing in soft snow failed to detonate due to insensitivity of the anti-tank impact fuse. The testing area is in an isolated basin north of Granite Peak and distant from skier trails. The locations of the two dud rockets were marked and they will be recovered and defused as soon as the snow melts.

SNOWBUNNY FROLIC IS SET FOR APRIL 18

TAHOE CITY—The "Snowbunny Spring Frolic," scheduled to be held at Olympic Village on Saturday, April 18, will be the first Easter annual ball of the Assumption Guild of Truckee, Our Lady of the Lake Guild of Kings Beach and the Corpus Christi Guild of Tahoe City. The combined efforts of these three groups will be extended to make the first of these annual events, a dinner dance.

Preliminary plans for the ball were made at a meeting held Monday night at the Highlands home of Mrs. Angie Bonino, a member of the Corpus Christi Guild. Appointed as general chairman of the ball was Mrs. John Onerata. Other committees will be announced at a later date.

MOTHER OF TAHOE WOMAN SUCCUMBS

The body of Mrs. Ada Emma George, 59, who expired here January 31 following an extended illness, was shipped to New Jersey Thursday for funeral services and interment.

Mrs. George had been living with a daughter, Mrs. Don Contieras at Crystal Bay, Nevada. She is also survived by a son, Leonard George in New Jersey.

The Truckee Colonial Mortuary has charge of local arrangements.

LICENSE

Homer P. Haines, 30, of Tahoe City and Donna Sue Starling, 22 of Las Vegas, Nevada were issued a marriage license in the latter city.

Kings Beach Team Continues Lead In Local Hoop Battle

By JOHN FIRPO

Harry's Meats won their first game this season and the Kings Beach Lions extended their winning streak to six games as action in the Truckee town league basketball schedule entered its fifth week.

In the opener the Kings Beach Lions remained the only unbeaten team in the league as they walloped a determined U-Save five, 64-44. The fast-breaking Lake five insured the victory with a big 22-point fuorth quarter. They had led 13-14, 30-21 and 43-29 in the previous three stanzas.

Guard Ken Osburn of the Lions paced all scorers with 19 points. He was followed by teammates Craig Robinson and Dave Rickert who canned 13 each. John Hughes led the losing gas men with 14.

In the nightcap, the fans were treated to a real thriller as Harry's Meats came from behind to knock off the Tel-Cos, 42-40. Guard Sam Medford stole the basketball twice in the last minute and dumped in a total of four points to bring the Meat Men out in front. The game was a see-saw event with the lead changing with each quarter. The Tel-Cos took an early 15-12 margin in the first period and then fell back to relinquish the lead to their opponents, 23-20, at the intermission. Harry's Meats could muster only three points and fell behind once again, 31-26 at the end of the third quarter.

Marty Kumle took game honors for the Truckee Meat Men with 12 while Sam Medford ended the evening with 11. Dale Freeland once again led the Tel-Cos with 14. Mariers Marauders drew a bye for the evening.

Here are the unofficial league standings including games played Monday, February 6:

Team	Won	Lost
Kings Beach	6	0
Mariers	4	2
U-Save	3	3
Harry's Meats	1	3
Tel-Cos	1	4

MOTHER OF TRUCKEE MAN EXPIRES IN RENO

Last rites will be held for Mrs. Mary Ann Curran, 83 years of age who died Tuesday at Reno where she made made her home since 1920. She was a native of Gold Hill, Nevada, later going to Reno with her late husband, James Curran.

The deceased who is survived by two sons, William Curran of Truckee and Harold Curran and a daughter, Mrs. Ernie Froelich both of Reno, had since 1932 taken a number of children into her home and reared 75 of them until two years ago.

Eight grandchildren and one great grandchild are also survivors.

LITTLE LEAGUE PLAN MADE AT TAHOE MEET

TAHOE CITY — Plans for the coming Little League season were made Monday night at a meeting of the Tahoe City Little League held at the Tahoe City residence of Tony Donadio.

Formation of a Babe Ruth League was discussed and Dick Sprague was elected to manage this group which will be for players from 13 to 15 years of age. The major and minor leagues, for boys from 6 to 12 years old, will continue to participate in Little League activities with Tony Donadio and Ernie Marier acting as managers.

A great need exists for volunteer help in all phases of Little League activity and anyone interested in helping in any way with the Tahoe City Little League is urged to contact Ralph Bly at JUniper 3-32-12.

BOYS HELD AS STOLEN PROPERTY IS FOUND

TAHOE CITY—Stolen property, valued at $130 has been recovered by Placer County sheriff's deputies with the arrest of two boys, 12 and 13 years old.

The boys were questioned after the mother of one reported to deputies that they had a gun. Upon questioning, they admitted breaking into the Mayflower Storage warehouse at Kings Beach and into the summer home of Arthur J. Smith of Palo Alto.

Out Of Navy—

Timothy Arthur Sullivan has been discharged from the navy in which he served nearly four years and has joined his family, Mr. and Mrs. T. F. Sullivan here.

Kings Beach Man Named Head Of Hospital Directors

Reorganization Of Staff Is Completed Here At Annual Meet

The board of directors of the Tahoe Forest Hospital District accomplished their reorganization with the election of Ted D. Barrett of Kings Beach, as president for the current year.

Gordon D. Moyer of Tahoe City was elected vice president and Charles D. Heller of Truckee was elected secretary of the board.

Daven Morey was appointed treasurer and clerk of the district and J. J. McGlade was reemployed as administrator for the current year.

At the January meeting of the board the following reappointments to the medical staff were approved by the directors. The active medical staff members are: Doctors W. Douglas Brodie, Monica S. Briner, Fenwick E. Cole, Gardiner Pier, Walton Prescott, Ben R. King, Ray H. Wiser.

Courtesy medical staff members are Doctors George I. Scheetz and Allen L. Sklar and courtesy dental staff members are: Doctors Robert W. Affeldt and Hillarm Holmes.

Gardiner Pier, M. D. was elected chief of staff for the current year and Monica S. Briner, M. D. was elected secretary of the medical staff.

Patrol Was Busy During Last Month

Officers of the Truckee substation of the California Highway Patrol rendered a total of 882 services during the month of January, according to the monthly report submitted by Lt. Oliver Ledford.

The report shows there were a total of 21 vehicle accidents in the area, including 11 injury mishaps in which 15 people were hurt and 10 wheer only property damage was involved.

A total of 177 citations, 91 parking tickets and 39 written warnings for mechanical violations were issued by the local squad. Six were taken into custody, principally for drunk driving or being drunk in an automobile.

The patrolmen aided 92 disabled vehicles and removed 67 traffic hazards during the month.

THREE GIRLS BORN IN LOCAL HOSPITAL

Three girls arrived during the first week in February at Tahoe Forest Hospital for their respective parents. Mr. and Mrs. Richard Clarey of Kings Beach named their daughter Kirsten Ann, February 1. Her first weight was 6 pounds, 14½ ounces.

A second arrival on February 1 was Diane Marie,, welcomed by her parents, Mr. and Mrs. Clyde N. Hislop of Tahoe City. A diminutive 5 pounds, 11 ounces was the registered weight of Diane.

Mr. and Mrs. Timothy Sullivan of Squaw Valley greeted their daughter Laura Marie, February 6. The scales first tipped to a plump 8 pounds, 10 ounces on arrival.

DONALD COWELL DIES FOLLOWING ILLNESS

TAHOE CITY — Lake Tahoe friends have received notice of the death of Donald M. Cowell January 28 at Covina following a lengthy illness.

Cowell will be remembered here as a boy when he drove a team of pet dogs with exceptional skill in the races between Truckee and Tahoe Tavern in 1931. He was also a member of the Lake Tahoe Ski Club before leaving the area during the war, when he enlisted and was stationed in Europe.

Survivors are his wife and daughter, his mother, Viola Cowell and brother, Robert.

SEAL CAMPAIGN AT TAHOE CONTINUING

TAHOE CITY—The 54th annual Christmas Seal campaign is still receiving contributions to realize the goal of $13,000 set for this area, all amounts will be most welcome to swell the fund.

Placer County is hopeful of renting a mobile unit from Sacramento which can travel to outlying communities where there are no x-ray facilities, Mrs. Marie Henry said.

Meeting Called To Study Countywide Planning Proposal

For the past several months the Nevada County Planning Commission have been holding monthly meetings with Planning Consultant Dick M. Wilkenson of Redwood City for the purpose of developing an overall plan for the county.

Wilkenson, who is plannig executive for Redwood City, was contracted by the board of supervisors to assist the commission in this work, and once each month has been meeting with its members and outlining and discussing with them the procedures necessary to plan for the future development of Nevada County.

At its regular meeting on January 23, the commission moved to invite and urge all interested parties to attend the future meetings with the consultant. The next meeting to be held at 8 p. m. Friday, February 17 in the supervisors room in Nevada City.

Cecil Edmunds, chairman of the planning commission, states that due to the diversity of the climate and terrain of Nevada County, the problems of planning are complicated and varied, and it was felt that as many citizens of the county as possible should become acquainted with some of the procedures and standards necessary to cope with them.

Members of the press, board of supervisors, chambers of commerce, realtors, subdividers and contractor groups should be especially interested and it is hoped that some of them can be present, he said.

Wilkinson has pointed out that in developing a comprehensive county plan and analysis of the county's past, present and its future potential must be made; and the people's needs and how they want to develop them will be a controlling factor.

Rates Increased At Local Hospital

The board of directors of the Tahoe Forest Hospital, at a special meeting held January 27, authorized an increase in the room rates effective February 1.

This rate increase is the first since January 1957, and was required to offset the increasing costs of hospital operation, Administrator J. J. McGlade pointed out.

The new rates are $31 per day for private room, $33 per day for isolation room, and $25 per day for semi-private rooms. The old rates were $23 per day for private room and $19.50 per day for semi-private rooms.

The board also provided for special discounts for people who are residents of the hospital district. All residents of the district will receive a special "Residents' Discount" amounting to $2 per day on the room charge.

This preferential rate for district residents is legally allowed, and many district hospitals are using this method in various parts of the state, McGlade explained.

DAY OF PRAYER SET FOR SQUAW CHURCH

A Day of Prayer will be observed Friday, February 17, to convene at 10:30 a. m. in the United Church of Christ at Squaw Valley.

All churches and individuals in the area who wish to take part in the worthy event are cordially invited to attend, according to Mrs. E. Judy of Kings Beach, chairman in charge of the program. Rev. Franklin Evans is pastor of the church.

LEGISLATION WOULD OPEN GOLD MINES

Senator Clair Engle and Congressman Harold T. Johnson have introduced legislation in congress aimed at re-opening the nation's gold mines to replenish the dwindling U. S. gold reserves.

The proposals would authorize the secretary of the interior to make incentive payments, over and above the price of gold, to demestic miners during the next five years.

WOMAN IS FATALLY HURT IN ACCIDENT

A woman tentatively identified as Lilly Brown of Oakland suffered fatal injuries Monday when a car driven by Henry Man Fong, 44, of Oakland was wrecked on Donner grade.

The injured woman was rushed to Washoe Medical Center where she expired.

25 Passengers On Bus Are Injured In Summit Crash

Injured Are Treated Here After Bus Crashes Into Bank

Twenty-five passengers on a west-bound Greyhound bus were treated at the Tahoe Forest Hospital this morning at 7:35 for injuries received when the bus skidded into a icy snow bank on the freeway a mile west of Soda Springs.

The driver, who was among the more seriously injured told investigating CHP officer that he applied his brakes suddenly to avoid a truck and momentarily lost control.

The driver was William Oliver of Sparkas, Nevada.

None of the injured were believed in critical condition but some suffered from serious back and head injuries and possibly broken ribs.

Eight of the more seriously injured were brought to the hospital by Truckee Ambulance and those with lesser injuries were brought in by the patrol cars.

Local Patrolman Is On TV Program

An interesting, informative program on road and driving conditions in the high Sierra during winter months was broadcast by Merle Hussong, moderator of the "Under the Capitol Dome," KCRA-TV, Channel 3 at Sacramento Sunday at 9 a. m.

Featured on the program were Captain Richard Langner of the Auburn headquarters of the California Highway Patrol and Officer William Gautsche of the Truckee substation.

After Langner had discussed the work of the patrol and the division of highways in keeping the roads open and traffic moving, Gautsche gave some interesting demonstrations on the care and operation of an auto in snow country, using a patrol car which had been taken into the studio for the purpose.

The program was illustrated by photos and movies taken in the Truckee-Donner area.

Hussong often provides programs of vital interest and concern locally and the one Sunday was excellent for all viewers.

HAROLD FOOTE WILL OPERATE STORE HERE

Mr. and Mrs. Harold Foote have taken over the business of the Tourist Liquor Store, replacing the former owners, Mr. and Mrs. Keith Ross.

The new owners have lived and been employed in the district for several years and are interested in the community and its future prospects.

Mr. and Mrs. Ross have also made a number of friends during their four years in the local business. He said they have no immediate plans other than taking a much needed vacation.

USF OFFICIAL WILL VISIT HIGH SCHOOL

Dr. A. P. Donoghue, director of admissions at the University of San Francisco, has scheduled a visit to Tahoe Truckee High School in Truckee for 8:30 a. m., Friday, February 17.

The purpose of Dr. Donoghue's visit is to acquaint local students with the offerings of the University of San Francisco and outline admission procedures to prospective applicants.

GAME BIRD FILM AT SPORTSMENS MEET

A film on game birds will be shown at the meeting tomorrow evening of the Truckee Outdoor Sportsmen, at 8 p. m. in Capitol Hall.

William Fordham will preside when topics of interest will be discussed.

Refreshments will be served.

Meet Winners

DONNER SUMMIT — Tom Bednar, a class C competitor representing Sugar Bowl, and Dorothy Mercer, an unattached class B contestant from Crystal Bay, shared top honors when the downhill only race was held at Sugar Bowl.

A slim field of 32 men and seven women participated.

Street Naming Will Be Given Further Action At Meeting

TAHOE CITY — Representatives of various organizations throughout the area, including postmasters, fire and utilities districts attended the luncheon meeting sponsored by the Pacific Telephone Company at Tahoe Inn Tuesday to discuss the feasibility of naming streets and roads and numbering houses in the region.

These representatives were asked to report back to their organization for the purpose of setting up a committee to work out further details. A meeting was tentatively set for February 23 when these plans will be further discussed.

The meeting was presided over by Edward C. Shirley of the telephone company who pointed out the need for identifying streets and houses for emergencies as well as conveniences.

Among the speakers was Stewart Bryant, Placer County planning commissioner who supported the plan and offered suggestions. A question and answer period followed the meeting.

District Election Is Set For May 2nd

With the terms of Lauren Russell and Karl Kielhofer expiring in May, the board of directors of the Truckee Public Utility District is calling the biennial election for May 2. Candidates may obtain nomination petitions from the clerk of the district and these must be filed with the clerk not later than February 24.

The last day to register for the election is March 9.

Both Russell and Kielhofer are expected to be candidates for re-election. Other members of the board are Cecil Edmunds, Dr. Ben King and Daniel Horman.

MAN AVOIDS DEATH BY REMAINING HERE

Albert Bangs, 42, Larkspur, is considering himself a lucky man.

Last week, Bangs accompanied a companion, Richard F. Stokes, 29, also of Larkspur on a job-hunting trip in the latter's car. When they arrived in Truckee Bangs left the car and Stokes continued on to Reno alone.

Thursday night, the Stokes car apparently plunged into Lisbon Slough off the Yolo Causeway and two occupants, Stokes and Edward Whitt, 38, were believed drowned. The body of Witt, who was evidently picked up by Stokes after he left Bangs in Truckee, was recovered and a search was continuing for Stokes.

Deputy Emery Lander of the sheriff's office located Bangs here after an all-points bulletin telling of the car mishap was sent from Sacramento.

Bangs told Lander that Stokes and Whitt may have been one and the same person. He also indicated that foul play may have entered the case after he left Stokes in Truckee.

HOULGATE REPORTS AT MEETING OF PTA

John Houlgate gave a report on the meeting of the educational advisory committee in Auburn recently during the Founder's Day program by the Truckee Elementary PTA at the school Monday evening. Mrs. Hilda Hintz spoke on the work of the PTA and piano selections were given by Jonathan McLane. Richard Higgins, historian, presided at the meeting.

LAKE CHAMBER WILL MEET ON THURSDAY

TAHOE CITY — Lake Tahoe Sierra Chamber of Commerce will hold a directors no-host luncheon meeting at the Tahoe Inn, Tahoe City next Thursday at noon. Future plans call for this to be a regular monthly meeting on the third Thursday of each month at varied locations in the area.

All members are cordially invited to attend and hear of plans in the making for the future of the area.

Board Meeting

A meeting of the Truckee Cemetery District will be held Monday, February 13 at the Toggery at 2 p. m. R. P. Bick is chairman of the board and will preside at the meeting. Only routine business is scheduled.

More Incendiary Fires Reported As Rewards Offered

Rewards For Firebug Will Increase As District Is Disturbed

BULLETIN

Rewards currently totaling $125, but expected to increase daily, have been offered for information leading to the arrest and conviction of the firebug who has terrorized residents of Truckee recently. The Truckee Donner Chamber of Commerce and the Truckee Volunteer Firemen are offering $50 each and C. B. Carroll, trainmaster and D. K. Miller, assistant superintendent of the Southern Pacific added an additional $25.

Three incipient fires — two of of which were described by Fire Commissioner N. F. Dolley as undoubtedly the work of an arsonist — brought out the Truckee Volunteer Fire Department during the past week.

The first fire, at the home of Mrs. Doris Wakefield on Perkins Street, occurred about 2:30 Saturday afternoon. The fire was confined to a rear porch and the fast work of the department prevented major damage.

Investigation disclosed that two attempts had been made to start the fire. Paper was placed in a window and ignited, but the paper burned without doing more than charring the wood. The arsonist then apparently went to the rear of the house, plugged a hole with papers and set them afire. This latter blaze threatened the house.

Mrs. Wakefield, who works nights, was asleep in the house and did not know of the blaze until the department arrived.

The second fire was at the N. F. Dolley duplex appartment on the old Reno road, occupied by Louis Ramirez. Here, Dolley said, it was evident that a burning cigarette was left on a Chesterfield which caught fire. The piece of furniture

Warehouse Again Object Of Burglary

For the third time within six months and the fourth time within three years, the Tidewater warehouse on West River Street, operated by Charles Osburn was looted Friday night.

Several tires, spark plugs and other items valued at $575 were taken, Deputy Sheriff Roy F. Waters announced.

The burglary was discovered by Deputy Preston Patnoude who was making his rounds. He saw everything intact at 1 a. m. but when he returned to the area at 3 o'clock, he discovered a broken door lock and investigated.

It was evident that the thief or thieves used a car to haul away the lot. Waters said suspects are being questioned but that there were no clues.

SAFETY COUNCIL TO MEET AT LAKE FRI.

TAHOE VISTA—A meeting of the North Tahoe Chapter of the Lake Tahoe Safety Council will be held at 8 p. m. Friday, February 10 at the Elks Hall in Tahoe Vista, it was announced by Hilliard Holmes, vice president of the lake-wide safety group.

Holmes urged that the meeting be well attended as the safety council is organized to assist local, county and state agencies in seeking solutions to safety needs.

WOMAN IS TREATED FOR GUNSHOT WOUND

KINGS BEACH—Sue Weiler, who resides on the Brockway shortcut near Kings Beach is recovering at her home following treatment in the Tahoe Forest Hospital for a gun shot wound.

Miss Weiler said the gun discharged accidentally as she was placing it on a table. The bullet struck her in one leg.

CEDAR RIDGE MAN IS NEW HEALTH OFFICER

Folllowing the resignation of Dr. Ray H. Wiser as Nevada County health officer, the board of supervisors at their first February meeting appointed Dr. Elbridge J. Best of Cedar Ridge to the post.

The board also accepted the resignation of Carlos McGuire of Grass Valley as county surveyor and authorized Clerk John T. Trauner to advertise for applicants to fill the position.

Other appointments included Howard Wilcox, Nevada City barber, to the board of trade to replace C. A. Shirley, who resigned.

LEAGUE MEETING

There will be a meeting of all interested in the Little League and Babe Ruth League teams at Crystal Bay Club this evening at 7 p. m.

NORTH TAHOE BRIEFS...

. . . by BETHEL

Letters — got two letters that should be of interest to our readers.

Dateline—St. Petersburg, Floriday. From Addie Free and son Larry, former Tahoe Vista residents. Says, "want you to know how much Larry and I enjoy your column—such an interesting newsy column," and "read about the people we know and the north side of the lake.". Also "feel you have given the paper 'a lift.'"

The Frees are well and adjusted to their new home. Look forward to visiting Lake Tahoe next year. We do too.

Friends at Tahoe Vista all say a big "hello."

The other letter — dateline Sacramento. From Ruth Cookingham. Says, "I read your nice column in the paper every week." Ruth is busy and well, and enjoying a much needed rain after all the fog. Nothing but SUNSHINE — only three rainy days—at Tahoe.

Answering numerous queries as to whether Judge Harry Charrison has given up writing for the paper. Replying to a phone call, the column, yes, but special articles will appear from time to time.

The benefit buffet for the Kings Beach Community Methodist Church at Crystal Bay Club on January 26 proved very successful in raising funds for the expenses of the church. A sumptuous buffet was prepared and donated by the Crystal Bay Club which also provided the facilities and services.

Excellent movies of the recent volcanic eruptions in Hawaii were shown by Mr. and Mrs. H. Dodd.

Door prizes were donated by Stop 'N Shop, Kings Beach Variety Store, Town and Country Variety, Jetta's Coiffures, Woody's Flying A Service and Sandy Beach Store.

The finance commission of the church, headed by Robert Critchley, wish to express their thanks to everyone who helped make the evening the success it was.

Bill and Marge Zeibig of Tahoe City announce the reopening of the Chicken House located in the old telephone building at Tahoe City. Open daily from 4 p. m. to 11 p. m. except Thursday. The Zeibigs had three months vacation and visited Disneyland, Palm Springs, Las Vegas, and relatives in Oregon and the bay area. Welcome home.

Speaking of openings — Pfiefer House in Tahoe City has renovated their dining room, made a new entrance, and has a new paint job. Mr. and Mrs. Herman Schaefer operates the restaurant which is open daily except Tuesdays from 6 p. m. until 9:30 p. m. for dinner.

Women's Club of North Tahoe heard an interesting talk by Maren Sedgwick of Kings Beach on "Rock-hounding in our area." Maren has a lapidary and will be glad to assist anyone interested. The annaul Hat Party will be held Monday night, February 27 at the Nevada Lodge's Nevada Room.

Hat Party theme will be Mother Goose and prizes will be awarded the hats as most original, funniest and best. Sierra Winter Stock will present a comedy as part of the program. Joy Plunkett is president of the little theater group and liaison for the women's club. Alice Price, Marguerite Ashton, Ellen Templeton, Ruth West, Marilyn Boatman, Ruth Mizner, Sophie Levra, Bern Franklin, Audrey Brehler, Norma Wilson, Betty Vance, Frances Rockholm are among those working on the program.

The club contributed $5 to the American Red Cross, $25 to the Kings Beach Elementary School and $50 to the Tahoe Forest Hospital according to Bethel N. Van Tassell, president. Pearl Draney of Incline Beach was appointed membership chairman.

Frank Wagner of Kings Beach fractured his right arm in a fall from his truck on the Truckee shortcut. Time off will no doubt be consumed by his train hobby.

Carol and Gene Howard of Kings Beach, former postmaster, are now living on and enjoying their farm at Grants Pass, Oregon.

John and Eloise Branchcomb have moved from Kings Beach to Grass Valley.

Bartow Barnett of Knigs Beach is recuperating following a tonsilectomy at the Veterans Hospital in Reno.

EXPERIMENT? ONLY AT THE RIGHT TIME!

Experimenting is a fine thing —I'm in favor of it. But I don't believe in tampering with a game that's pretty sound. Wait until your scores dip below your normal average before you make any changes. And make sure you do your experimenting in practice sessions.

When you begin your experimenting, decide exactly what you intend to do. Get it fixed in your mind and don't go about it haphazardly.

Next, keep track of the changes you make. If a certain change doesn't improve things, you'll want to go back to your original style. If it does help, you'll want to know exactly what the change was.

Lastly, don't experiment with more than one phase of your game at a time. For instance, don't change your angle and speed at the same time. Change your angle, as I'm doing in the illustration, and observe the results. Then change your speed to see what additional results it brings.

ENTERTAINMENT NEWS from THE OLYMPIC VILLAGE

By FALVEY QUINN

Recent entertainers performing at **THE OLYMPIC VILLAGE** included Tom "Twinklefingers" McHenry and Jim Scott, better known as "Scotty." These twin keyboard artists have been able to come to **THE VILLAGE** through the courtesy of "The Monkey In" and "The Crocodile's Casbah," two of San Francisco's most popular night spots. Whenever in S. F. drop in and say hello to "Twinks" and Scotty" . . . at Pacific and Van Ness Avenue for the uninformed--!

Other groups have included "The Lamplighters," the sensational cool dancing quartet that also hails from the bay area. Due to their heavy bookings these boys won't be back for at least two more weeks.

Another swinging outfit has become almost a regular feature here at **THE OLYMPIC VILLAGE**—namely the Dell Quartet. They are great by themselves, but when "Scotty," and Jeff, the bongo man sit in, the sounds are just too much. This act must be caught—they'll be back in a couple of weeks.

For the Teen-age (under 21) contingent — Saturday night is **THE** night at **"THE OLYMPIC VILLAGE'S NEVADA CENTER.** Instead of just a juke box, last week we were fortunate enough to have part of the "Dixie All-Stars" perform at the dance. With a couple of "sit-ins" (steel guitars—shades of the Everly Brothers) on hand, the dance really swung. Let's see Truckee and Tahoe well represented at these Saturday affairs . . . 7 p. m. till midnight.

To all Truckee and Tahoeites: Bookings at THE OLYMPIC VILLAGE are practically an impossibility on the weekends. Don't let this stop you from coming up and enjoying the festivities. At present there is no admission charge, at either of the dances, or in our beautiful Lounge, where continuous entertainment is also provided. So let's hear it big for **THE VILLAGE** — come early and leave late—or even stay over for that matter. There are plenty of accommodations at Lake Tahoe or in Truckee.

REMEMBER — THE OLYMPIC VILLAGE is the entertainment capitol of the Sierra.

TRUCKEE, CALIF.

IN THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA STATE OF CALIFORNIA

Regular Meeting
February 1, 1961
Present: John T. Trauner, Clerk
Wm. J. Cassettari, Deputy District Attorney

The meeting was called to order by the Chairman of the Board at 10:00 A. M. and all members of the Board were noted as present. The minutes of the previous meeting were read to the Board by the Clerk and a motion was made, duly seconded and passed unanimously, directing the Clerk to publish the proceedings of the Board of Supervisors in the Sierra Sun for the month of February 1961.

The Auditor presented the Board with the Claims Register showing the amount of claims due and payable by the county, and a motion was made, duly seconded and passed unanimously authorizing the Chairman to sign the Claims Register.

Fund	Warrant No.	Amount
General	2563-2707	$17,247.53
Veterans	41-44	578.75
Welfare	9262-9300	3,700.50
Hospital	588-613	3,266.08
Road	558-628	18,271.50
Promotional Welfare	24-25	15.00
Assistance	9301-10337	85,484.30

The District Attorney appeared before the Board in regard to the parcelling system contract with Carlos T. McGuire, present in the audience with his attorney, Mr. Couzens. A discussion was entered with the District Attorney and the Board on entering into such a contract.

Mr. McGuire presented the Board with his resignation, effective February 1, 1961 as surveyor of the County, and a motion was made, duly seconded to accept the resignation. Upon a roll call ballot, a unanimous vote was recorded.

After further discussion, a motion was made by Supervisor Bishop, duly seconded authorizing the Chairman to sign an agreement with Carlos T. McGuire. Upon a roll call ballot, a unanimous vote was recorded.

Mr. Douglas Ribble, representing the Citizens Committee opposing the Redistricting Ordinance appeared before the Board and the Chairman pointed out to Mr. Ribble that the Board of Supervisors could take no legal action on the Ordinance at this time.

Mrs. Margery Worth appeared before the Board and rendered the report of the Welfare Department at this time, and a discussion was entered into on the cancelling of the CPS contract for medical care service for old age recipients. Mr. Bishop reported that a meeting had been held, and felt that the contract should be cancelled. A motion was made by Supervisor Bishop, duly seconded authorizing the District Attorney to terminate the contract, effective this date. Upon a roll call ballot, a unanimous vote was recorded.

The County Clerk presented proposed Resolution 61-4 (A resolution setting forth extra help policy) and a motion was made, duly seconded to adopt Resolution 61-4. and upon a roll call ballot, a unanimous vote was recorded.

The Superintendent of the County Hospital appeared before the Board and entered into a discussion on an employee at the hospital, purportedly hired at the second step and paid only at the first step at the applicable range. The matter was referred to the Auditor.

The administrator then entered into a discussion with the Board on a proposed contract between the county and the GrasVal Laboratory to provide laboratory service to the County Hospital. The matter was referred to the Purchasing Agent.

The Purchasing Agent appeared before the Board and presented a proposed contract to provide laboratory services by the GrasVal laboratory for the County Hospital and the matter was deferred until the afternoon session.

At this time the Chairman announced that the Board would adjourn for lunch to reconvene again at 1:30 P. M.

AFTERNOON SESSION:

The Board reconvened at 1:30 P. M. and it was noted that all members of the Board were present.

Mr. Cecil Edmunds, Chairman of the County Planning Commission, and other members of the Planning Commission appeared before the Board and discussed the need for a full time planning director, primarily due to the resignation of the executive secretary of the commission and also of the increase of the activities of the Planning Commission. Mr. Edmunds stated to the Board that he estimated the annual cost of the Planning Commission Budget including the cost of the salary of the Plannning Director to be approximately $15,000.00. The Board discussed the proposal, and it appeared that all members were in favor of the Commission contacting potential applicants for the position of Planning Director.

The Auditor presented the Board with a payroll certification listing therein the number of employees and their various title in the various departments of the county. A motion was made by Supervisor Robinson, duly seconded to adopt the payroll certification, and upon a roll call ballot, a unanimous vote was recorded.

At the request of the Board of Directors of the Nevada Irrigation District, and upon a motion made by Supervisor Robinson, duly seconded the following persons were appointed in that district: Mr. Ross McBurney as Director, Mr. Vernon B. Vineyard as Director and Mr. Elton A. Tobiassen as Assessor-Collector-Treasurer of the District. Upon a roll call ballot, a unanimous vote was recorded.

A motion was made by Supervisor Ricker duly seconded and passed unanimously, appointing Mr. Robert McMasters as a member of the County Airport Commission.

A motion was made by Supervisor Ricker, duly seconded and passed unanimously appointing Mr. Howard Wilcox as a member of the County Board of Trade.

Mr. Floyd Pond, Probation Officer, appeared before the Board and requested the Board give some consideration for the re-classification of one of the positions in his department. After a lengthy discussion the matter was deferred until the next meeting.

At this time the Chairman announced that the next meeting of the Board of Supervisors would be February 20, 1961.

Dr. Leroy Bond, State Department of Health, appeared before the Board in regards to the appointment of. Dr. Elbridge Best as County Health Officer replacing Dr. Ray Wiser who resigned effective February 1, 1961. After a discussion, a motion was made by Supervisor Bishop, duly seconded to appoint Dr. Best as County Health Officer effective February 1, 1961. Upon a roll call ballot, the following vote was recorded.

First District aye
Second District aye
Third District aye
Fourth District pass
Fifth District aye

The District Attorney then presented the Board with proposed Ordinance 242, amending Ordinance 240, and a motion was made, duly seconded to adopt Ordinance No. 242, and upon a roll call ballot a unanimous vote was recorded.

The Auditor then presented the Board with proposed Resolution 61-5 setting forth a public hearing for zoning at the Tahoe Truckee Airport, and motion was made by Supervisor Bishop, duly seconded to adopt Resolution 61-5. Upon a roll call ballot, a unanimous vote was recorded.

At the request of the Chairman, Proposed Resolution 61-6 was presented to the Board (a resolution to amend the Government Code for Supervisors salaries), and a motion was made by Supervisor Robinson, duly seconded to adopt resolution 61-6. Upon a roll call ballot, a unanimous vote was recorded.

Mr. Robert K. Graham appeared before the Board, and a discussion was entered into on Proposed Resolution 61-7 (a resolution of intent for expending FAS funds) and a motion was made by Supervisor Robinson, duly seconded to adopt Resolution 61-7. Upon a roll call ballot, a unanimous vote was recorded.

Supervisor Ricker, then reported on the inspection trip to the Malakoff diggings and Mr. Graham reported to the Board that he felt that the rock crusher therein located would not be used. Mr. Graham was directed by the Board to report on the feasibility of the use of the crusher at the next Board meeting.

A discussion was entered into between the Road Commissioner and the Board members on the maintenance of the public road known as the Shafer Mill road in Truckee, and a motion was made by Supervisor Robinson, duly seconded and passed unanimously, directing the Road Commisisoner to maintain the road as the Shafer Mill Road in the Truckee area.

Mr. Clare Hughes, County Purchasing Agent reappeared in the Board room with a contract to be signed with the GrasVal Laboratory to provide laboratory services for the County Hospital, and a motion was made by Supervisor Bishop, duly seconded and passed unanimously, authorizing the purchasing agent to sign the contract.

Mr. Albert Casey appeared before the Board in regards to the old Camp Beale area recently sold by the Government to private owners, and requested that the Board indicate their intent as to whether or not they would take the roads into the road system. A lengthy discussion ensued, and a motion was made by Supervisor Bishop, duly seconded and passed unanimously, directing the Road Commissioned to draw up specifications and policies for accepting roads into the county road system to be presented to the Board.

The Auditor presented the Board with an audit report for the fiscal year 59-60 for Grass Valley Judicial Court, and a motion was made by Supervisor Robinson, duly seconded and passed unanimously to accept the Audit report and ordering it filed.

There being no further business to come before the Board at this time, a motion was made, duly seconded and passed unanimously, to adjourn, to meet again on February 20, 1961 at ten o'clock thereof.

the party. Happy birthdays, Bill and Audrey.

Lorene Bell of Tahoe Vista really had birthday celebrations at her home. Sharon celebrated her tenth birthday on January 28. A skating party at Squaw Valley was enjoyed by Sharon and her guests Kathy Critchley, Debbie Hilgesen, Ellen Dennis. Cake and ice cream of course.

Debbie celebrated her seventh birthday on February 2 but party wasn't until the 4th. Guests were Christine Bitler, Jeff Bracey, Cheryl, Jeff Hoffman, Johnny Byrd, Jeannette Holler and Cyd Moore.

Daddy, Carl, had his birthday January 31. Celebrated with apple pie.

Lorene can relax until April—her birthdate. Happy birthdays, Bells.

Norman King of Incline Beach has returned home after a vacation that included Mammoth Mountain, Los Angeles, where he took in the sights, night and day, visited cousins Ron and Ruth Shaffner at Sepulveda. Saw Uncle Morgan Smith and wife from Muncie, Indiana, for the first time. Back to work Saturday.

Sympathy is extended to Bob Howell on the death of his mother, Mrs. Myrtle Howell. Bob and wife, Mar, flew back to Emporia, Kansas, for the services and to be with his father, Howard, a few days.

Sympathy is extended to Vi Hefferman on the death of her husband, Mike, in Carson City last week. Mike was an employe at Crystal Bay Club prior to moving to Carson City last fall. Vi works at the coffee shop at the Nevada Lodge and commutes to Carson City every day.

Sympathy is extended Dee (Mrs. Don Cantreras) of the death of her mother, Mrs. Ada George on January 31 at Tahoe Forest Hospital.

Larry and Rose Hargraves of Kings Beach are San Francisco visitors to relatives for a week.

Richard J. and Mary Clarey of Kings Beach welcomed their first child Wednesday, February 1. Baby daughter will be named Kristen Ann. Born at Tahoe Forest Hospital, Truckee, and weighed six pounds, 14¼ ounces.

Mr. and Mrs. Noel Hulbert of Kings Beach are having an enforced vacation to Sacramento. Noel entered Mercy Hospital for surgery the first of last week. Recuperating nicely and expects to be home Monday.

Mr. and Mrs. Glen Simmons of Los Angeles were Tahoe Vista guests of son and family, Stan and Pat Simmons and Reid and Cheryl, this past week.

Jetta Steward and son, Wayne, of Tahoe Vista visited Forest Grove, Oregon, over the weekend. Jetta's brother, Noel Eng and family are residents there. Wayne plans to enroll in Pacific University.

To Las Vegas via plane for Jetta Steward of Tahoe Vista on last Tuesday to attend an executive board meeting of the Nevada Hairdressers of which she is president.

The Robert Hopkins family of Incline Beach are in San Francisco where daughter, Stephanie, will enroll in school.

Luncheon guests on Wednesday at the home of Rose Baker, Tahoe Vista, were Helen Ehlers, Bonnie Bates, Wilma Abbott, Catherine Abbott, Frances Rockholm, Lolita Decker, Ceta Hooper and Unadell Crawford.

Auxiliary of the VFW gave a surprise shower for Mrs. Ted (Pearl) Draney of Incline Beach at the home of Louise Walter in Kings Beach. Among those present were Pearl Moore, Pearl Martin, Minnie Wagner, May Murray, Wanda Brooks, Sophie Levra, Unadell Crawford and the hostess.

American Red Cross held a reorganization meeting in Carson City last week to include the Lake Tahoe area. The new chapter will be known as the Sierra-Nevada Chapter of the American Red Cross with nine area chapters—a Lake Tahoe Chapter will be headed by Mrs. A. M. Henry of Tahoe City and Mrs. Ted Draney of Incline Beach who attended the Carson Ctiy meeting. Volunteers to date who will assist Mrs. Draney and Mrs. Henry are Mesdames Larry Anderson, Frank Austin, Jack Felte, E. Fulton, Mr. and Mrs. Kenneth Gerlick and Audrey Welsh of the Kings Beach area. Additional volunteers are welcome and a local meeting is planned—date to be announced.

Red Cross meeting was held Tuesday evening at the Wagon Wheel on the south shore of Lake Tahoe with Carl Ross of San Francisco and Hal Davis of Sacramento speaking.

Guests over the weekend at the home of Ron and Ruth West of Kings Beach were the Paul Youngs and children David and John of Monterey Park.

Post 7077, VFW and their auxiliary sponsored the mothers March of Dimes for Polio on the evening January 31. The drive realized $560.08, $466.47 collected from Crystal Bay to Carnelian Bay and $93.61 collected from Lake Forest to Tahoe Park. Helping in the drive were Jo Ann Ruhkala, Ethey Shaffer, Irene LePire, Wanda Brooks, Unadell Crawford, Audrey Welsh, Mae Springer, Ethel Antonson, May Murray, Sophie Levra, Lolita Decker, Dorothy King, Beverly Newell, Minnie Wagner, Bonita Jones, Pearl Martin, Pearl Moore, Pearl Draney and Ruby Clackett. All jewels. Mother's helpers were Gene Antonson and Gene Faulkner — all fun and no work for them, unless your reporter was misinformed.

Generous management of the Crystal Bay Club supplied the coffee and sandwiches for the workers after the drive was completed.

Piaute Indians on the reservation at Fort McDermott were made happy over the weekend of January 29, when a truckload of clothing and supplies were presented to them by Kings Beach residents by Bob Moore, Noble Murray and Harry S. Hooper. The trio made the 600 mile trip to McDermott which is on the Oregon line, and observed the needs of the reservation. Nineteen wells were drilled for the reservation in 1960 giving the Indians water for the first time.

"Meiling"—two-months old Pekingese puppy—has been adopted by Bethel, Pieter and Jan Van Tassel of Tahoe Vista. Busy-bodies all—all the time—or did you-all, no?

DONNER DOINGS

By VIRGINIA O'BEAR

Some predict a very light winter for us up here in the Sierra but I cannot help but remember last February around Olympic time when everyone was wishing for snow. They even had an Indian chief over at Squaw Valley doing some kind of a dance to bring on snow. Well, if someone pressed a button last year on the first day of Olympics like the Russians said, I wish they would get busy and press one now. As far as the ski resorts are concerned, they are satisfied as skiing has never been so good. The skiiers say it is ideal and the weather is perfect. Must be so, I've never seen so many skiers in my life.

* * *

Mr. and Mrs. Ivan Wilson of Donner Lake were overnight guests of Mr. and Mrs. Larry Gardner of Sacramento Saturday. The Wilsons were in Sacramento for the wedding of their son Douglas, to Barbara Welsh, which occurred Saturday in Carmichael. The The Lardners are former Tahoe Pines residents.

* * *

Mr. and Mrs. Frank Dare, Jr., are now making their home at Donner Lake, coming here from Colfax. Frank is operating a service station at Donner Lake Lodge so we welcome this young couple to our area.

* * *

If this Donnerland, U. S. A. comes true, it will help the whole area and not only financially by bringing in people, but by giving the local residents something to do, too. With tennis courts and things they plan to do, it will give our young teenagers something to do also as well as keep them closer to home. I think it will be wonderful for all of us.

* * *

Many have been asking me how the postal service is coming along. Well, it isn't. The government wants to discontinue rural service wherever they possibly can and it really would not be practical for Donner Lake in the winter because a lot of us would not get out and keep the little mail boxes shoveled out. To have a sub-station involves quite a problem also because where woull we put it? If we had one at the west end, people from the east end would still have to get into their cars and go get the mail. Same thing if it was located at the east end or even half way. Besides a place would have to be bonded and all kinds of red tape and at this date, no one out this way seems to be interested. With the new post office going in Truckee, service will be better for all. Until Donner Lake is more heavily populated, we had better just be satisfied with what we have. We could still keep it in mind for the future.

* * *

Many Donner residents are planning to attend the Truckee Outdoor Sportsmen meeting this Friday evening at 7:30, February 10, at the Capitol Hall. A very interesting meeting will occur with important facts being presented concerning Donner Lake. It is to the advantage of all property owners at Donner to attend this meeting, they welcome non-members, too.

* * *

All firemen of the Donner Lake Volunteer Fire Department received a card from their fire chief Hap Warnke last week informing them that the joint meeting with the Truckee firemen will be February 14 instead of this week as previously reported. The dinner and business meeting will be at Cozzi's at 7 p. m. and all firemen are invited to come. A movie will be shown concerning fire. On February 23, a regular meeting will be held at the Donner fire house for the Donner firemen from 7 to 9 p. m.

* * *

Auxiliary members are invited to attend the board meeting at the home of Mrs. Virgil Harris, Monday evening, February 13 at 8 o'clock. Co-hostesses will be Petie Brown and Virginia O'Bear, besides Dollie. A party is being planned since it will be the last board meeting for this group of officers. New officers will be elected at the February 16 meeting when the auxiliary meets in the basement of the Church of the Mountains. A delicious dinner will be prepared and served by ladies of the W.S.C.S. and it is hoped that everyone will get ther promptly at 7:30. Reserve Thursday night, February 16 for your auxiliary.

Also invested at this service was Leader Carol Coster.

* * *

Final plans were made this week for "Cupid's Caper," the Tahoe Lake PTA-sponsored dinner dance to be held Friday night, February 10, at the Crystal Bay Club. Dancing to live music will be continuous throughout the evening and dinner will be served from 8:30 to 10:30 p. m. A record number of people is expected to attend this event which is being held to raise funds for the school's reference library.

* * *

Many more prizes have been added to those already donated for the Valentine's Day cake social and games affair which will be held at 8 p. m. on Tuesday, February 14 at Pop's Corner in the Tahoe Inn. The social is being sponsored by the Corpus Christi Guild.

Why do you trust this man to feed your family?

HAVE you ever realized that the most precious thing you buy every day is food? Probably not. Yet your own family's health and well-being depend largely on the quality of food you buy. Your food store dealer never forgets this fact. That's why he's as careful of the food he offers you as he is with the food he takes home to his own family.

While experience has taught you to rely on him for the best—most wholesome—foods, you likely take for granted his constant check for quality...his investment in new and better foods...and that he brings all of this to you at a price you know is right.

And how rewarding for you if your favorite food store gives you S&H Green Stamps. You know, of course, that half the families in America save them today.

Your S&H Green Stamps make it possible for you to choose from over 1,500 top-quality, famous brand-name items at your S&H Green Stamp Redemption Store.

DONNER SUMMIT NEWS

By LLOYD W. GAY

SUMMIT WEATHER

Snow finally came to Donner summit after nearly six weeks of generally fair skies with no precipitation. Five inches were recorded at Soda Springs on January 25 and 26, and was followed by a somewhat heavier fall over the first of February. These several small weak storms left 19 inches of snow to boost the seasonal total snowfall at Soda Springs to 131 inches. The snow pack on the ground on Monday morning was 44 inches. The maximum during the past week rose to 50 degrees on February 5, and the minimum dropped to 23 degrees on February 4.

SUMMIT SKIING

The fair warm weather combined with the unusually heavy early season snowfall has contributed to excellent ski crowds during the past few weekends. While most area operators would welcome additional snowfall, they also welcome the lack of difficulty in parking skiers cars, and the dry highway conditions which have contributed to the crowds. A surprisingly large number of people have taken advantage of the fine weather to venture cross-country away from the developed ski areas. Both organized groups and individuals have visited the Sierra Club huts in the Donner summit area, as well as skiing over most of the crest region.

SKI RACES

A number of races were held over the past few weekends, as the Donner Ski Ranch hosted a collegiate meet, won by Sierra College. The Sugar Bowl was the site of the Sugar Bowl championships. Sherman Reams, skiing for Sierra College, finished well in all events in the college races. Bobby Forster and Tom Terkeldsen showed up well in their classes in the junior point race at Dodge Ridge.

SNOW POOL DECIDED

The snowpool being run at the Soda Springs Hotel was awarded to Barbara Zorich for her prediction of 8:30 on Wednesday as the nearest time for the first inch of snow to accumulate after the long snowless spell. Over 100 snow guessers joined the game in the weeks before the deciding inch accumulated on the sun deck of the Soda Springs Hotel.

SUMMIT SIT

Twelve ladies gathered last week at Zona Madden's home in Big Bend for the periodic Summit Sit, held on this occasion as Joyce West was up for the week from Berkeley.

TnT Tidings

By KAYTIE CORBIN

The new semester began January 30 and report cards were issued last Friday. Honor roll students will be announced next week, along with new CSF candidates.

* * *

The Nordic ski meet scheduled for last weekend at Heavenly Valley was cancelled due to the poor snow conditions.

* * *

Tahoe Truckee High School was invited to participate in the Student Leaders' Conference on March 14 in Sacramento. TNT will head the panel discussions on student finance.

* * *

Student council is planning the annual carnival on March 17. Proceeds from the event will go toward publication of the high school annual. Student Body Vice President John Holley is chairman.

* * *

A luncheon was given Wednesday by the Girls' Leaders Club. Guests included Mr. Drummond, principal; Miss Withiam, home economics teacher; Mrs. Grimm, dean of girls, and new member, Alberta Putynkowski.

* * *

An assembly was held last Thursday and Mr. Thomas of the Pacific Telephone Company presented a program concerning national defense. He emphasized the importance of radar stations and the DEW (distant early warning) line.

* * *

Scores from last weeks G. A. A. games are Shaws Junior team 24-Freshmen 13, and Freys Seniors 22, Sohpomores 12.

* * *

The junior dance was held last Saturday night in the high school cafeteria. "Young at Heart" was the theme for the evening.

Beauty is a theme of the lesson-sermon entitled "Soul" to be presented at Christian Science services Sunday.
The divine source of beauty will be emphasized in the Bible readings, including these verses from Psalms: "Give unto the Lord the glory due unto his name; worship the Lord in the beauty of holiness" (29:2) . . . "And let the beauty of the Lord our God be upon us" (90:17).
From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this selection will be read (246:23): "Man, governed by immortal Mind, is always beautiful and grand. Each succeeding year unfolds wisdom, beauty, and holiness.

SURVEY PARTY ON LAKE TAHOE ROUTE

State highway officials at the Marysville district office have announced that a survey party has been assigned to stake the construction centerline on State Sign Route 28 from the top of the Dollar Grade, near Lake Forest, to the Nevada state line.

The eight-mile section of the Tahoe north shore route will be widened this year under a $1,220,-000 allocation in the 1961-62 highway construction budget. It is expected that bids will be advertised in the spring, probably April or May.

Under the supervision of Richard Thornburg of Auburn, the five-man crew will be active in the area for about three weeks.

A Modern Labor of Hercules . . .
Army Missile 'Kills' Missile

Army

AN IMPROVED U. S. Army Nike Hercules air defense guided missile, in an engineering feasibility demonstration, destroys a Corporal ballistic missile fired at White Sands Missile Range, N. M. While the Corporal has much less range and speed than the inter-continental ballistic missiles, the test yielded valuable information pertinent to the development of an anti-missile defense, the Army said. Closing at a speed of thousands of miles per hour, the Hercules intercepts and destroys the Corporal in the first known kill of a guided missile by another. A previous kill was made by the Army's Hawk against the Honest John, a ballistic missile. In the sequence above, the Hercules appears on top as a flash of light as it approaches the Corporal for the kill. At left is the Hercules at take-off and at right is the Corporal which served as the target.

ZONING RESOLUTION PASSED BY COUNCIL

CRYSTAL BAY — Copies of a resolution calling for enforcement of rigid land development controls and "firm, fair zoning practices" within the bi-state Lake Tahoe Basin were being mailed to planning agencies and governing bodies of five counties by the Lake Tahoe Area Council.

The resolution, embracing a general policy statement on planning, zoning and land development was unanimously adopted by the directors of the private, non-profit organization at a board meeting held last week at Nevada Lodge following a presentation by Harry Marks of Glenbrook, a vice president of the council and chairman of its executive committee.

STATE RECOMMENDS MORE USE OF LAND IN RECREATION PLAN

SACRAMENTO — (CNS) — The state's public outdoor recreation committee released the second and final part of its study on needs of the state, generally recommending more intensive use of land and water ways.

The report, generally more subdued and less colorful than Part I, which was criticized as being extravagant, makes no specific recommendations but outlines general plans for recreational development.

"The state should lead a bold program to develop a comprehensive statewide land-use plan in which recreational needs are adequately recognized," the report said. "Within this plan, there should be provision for: wilderness and natural areas in the high mountains, deserts and along the shore; scenic, natural and historical sanctuaries; protected wildlife habitat; open land in and about state parks and beaches for full recreation development; pastoral, park and recreation spaces in and about suburban areas; open space relief of some type within the metropolitan cores; and adequate access to these areas."

The report does not set up any priority on how new areas should be acquired, when, or by whom, but recommends that the state develop such a plan. It provides an array of charts and tables showing a present inventory of recreational facilities and what will be needed.

It calls for a statewide system of scenic roads, reactivation of the roadside rest program, more access to public lands.

The report said state and federal jurisdictions should increase the quantity of facilities they now supply. Counties should concern themselves particularly with dayuse needs of their residents outside of cities, the report said, while cities must exercise constant vigilance to see that the recreation lands and facilities they now have are not lost to ther uses.

Not more than five per cent of Australia's land surface is capable of providing commercial saw-log timber.

INCENDIARY FIRES

(Continued From Page 1)

was moved to a front porch and the department summoned. This blaze, which caused only minor damage, occurred at 7:30 a. m. Sunday and again the fast work of the department prevented serious damage.

The third fire of the week was under the front porch of an unoccupied house on East River Street at 9:30 p. m. Tuesday. The house formerly belonged to the late Celemena Pasinetta and is located adjoining the A. L. Davidson home.

Donald Brown discovered the fire from his home next door and turned in the alarm. The fire department, under the direction of Ed Androus, chief, quickly extinguished the blaze.

Neighbors reported seeing a man flee from the porch only minutes before the fire started but did not get a good description other than he was short and stocky and wore a short sleeved shirt.

Dolley requested that every fire, regardless of size, be reported immediately to the sheriff's deputies or the fire department and that all suspicious characters loitering in neighborhoods be reported.

There have been at least five fires of incendiary origin during the past few weeks. The first was at the Burney mill just before the new year and others were at the Riverside Hotel, the M&E Cafe and latest two home fires.

Sheriff's deputies are maintaining a close vigil, and urge all residents to be on the watch for the arsonist.

Recovering From Flu—

Mrs. Maude Gaffield has had a severe case of influenza for the past two weeks and her friends are hopeful for her early recovery of health.

ANOTHER EXCUSE

(Continued From Page 1)

to decide if the property is of any value.

A beaches and parks spokesman said Lake Tahoe frontage is selling for $1,000 a foot. There are 2,600 frontage feet included in the 234 acres the nine Bliss children gave the state in memory of their parents.

This frontage alone would cost $2.6 million — not including the land ont on the lake front.

A beaches and parks spokesman said the division expects to get paid for any land it would give to highways.

"If we go out and buy new park land we have to pay the going rate," he said.

The deed raised controversy before it actually was recorded in El Dorado County in March 1929.

Former California Attorney General U. S. Webb said the deed was "objectionable" back in 1929.

"I am of the opinion that the conditions contained in this deed are objectionable both from the standpoint of legal impediment and of policy," Webb said.

Webb said the deed transcends regulatory power and control of the state park system and would establish a bad precedent.

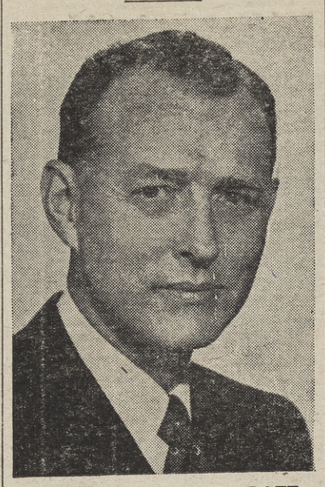

Webb also quoted a precedent that abandonment of the purposes or failure to comply with conditions of a deed will result in forfeiture where conditions have been violated.

CARD OF THANKS

CHURCH IS SEEKING OFFICIAL APPROVAL

DR. WILLIAM DAVID PRATT

SQUAW VALLEY — On Thursday, February 16, one year from the date of the first service held in the United Church of Christ at Squaw Valley, the Sacramento Valley Association of Congregational Churches of the Northern California synod of the Evangelical and Reformed churches will convene to examine the credentials of the church and the qualifications of the minister, Rev. Franklin S. Evans.

This is done so that the church may gain official recognition as a member in good standing of both these denominations that form the United Church of Christ.

A dinner for the members and delegates will be held in the converse room then at 7:30 the public is invited to share the service of installation and communion.

Dr. William David Pratt, former minister and superintendent of the conference, will be the main speaker. Dr. Pratt is presently administrator of the Carmel Valley manor, a retirement community sponsored by the Northern California Congregational churches there.

CUB SCOUTS AT LAKE HOLD BUSY SESSION

KINGS BEACH—Cub Scouts of Pack 31, Kings Beach held their monthly meeting February 2. Dens 3 and 4 entertained with a skit entitled South American Children at Play. The boys in their South American costumes showed their version of a bull fight in a colorful and entertaining manner.

Bill Hill of Auburn Area of Boy Scouts was a special guest.

The blue and gold dinner will be held April 7 at Crystal Bay Club and tickets at $1.50 per person will soon be on sale. All the proceeds will go to the Cubs of Pack 31.

The Cub Scout leadership training program got underway at Tahoe City last week with Hill in charge. Those attending from Pack 31 were Betty Baxter, Doug Baxter, Mrs. H. M. Larsen, Dr. Ivan Hull, Cleta Liddle, Robert Fugazi and Frank Austin.

Refreshments were served and games played after the meeting.

The average length of life of cats is 14 years.

SIERRA COLLEGE WINS IN COLLEGE SKI MEET

RENO — Sierra College of Auburn Sunday won the Far Western Invitational Intercollegiate Ski Tournament when its hickory riders proved stylish enough to place right behind Nevada in the concluding jumping event at Mt. Rose Bowl.

The Nevada leapers had hoped to whip Sierra over the 40 meter trajectory. But Sierra's team spirit held the Wolf Pack to a meager two point team victory in jumping.

Thus the Wolverines ended up with 385.7 points to take the tourney, its team having won both the downhill and sallom and taken seconds in the Nordic phase.

Second place Nevada had 381.6 points, having previously lashed onto the cross country win and seconds in Alpine races.

Trailing were California, 359.8; Chico State, 314.5; San Jose State, 222.6 and College of the Siskiyous, 144.2.

DOUGLAS WILSON IS WED AT CARMICHAEL

By VIRGINIA O'BEAR

The Carmichael Community Church was the setting Saturday, February 4, of the beautiful wedding of Barbara Louise Welsh and Douglas Edward Wilson. Over 200 guests witnessed the impressive double ring ceremony performed before the Rev. Seth Parker.

The bride is the daughter of Mrs. Gladys L. Welsh and the late Henry M. Welsh of Sacramento. The bridegroom is the son of Mr. and Mrs. Ivan Wilson of Tahoe City and Donner Lake.

The bride, given in marriage by her brother, Richard M. Welsh, wore a gown of Chantilly lace underscored with taffeta. The scalloped neckline was trimmed with sequins and pearls with a fitted bodice and long pointed sleeves and a full skirt which ended in a chapel length train.

The elbow length veil was clasped with a crown of sequins and pearls and she carried a white Bible covered with gardenias and stephanotis streamers.

Lornalee Adolfson of Carmichael was the matron of honor. Bridesmaids were Harriet Davidson of Carmichael, Polly Pendergast of Irvington and Mrs. James Silverman of San Francisco, sister of the bridegroom. They were identically gowned in street length dresses of red satin, designed with scoop necklines extending to V's in back with bracelet length sleeves and cummerbunds at the waistlines. Each wore matching headpieces and carried a nosegay of baby roses with red streamers.

James Silverman was best man for his brother-in-law. Douglas M. Welsh of Sacramento, another brother of the bride, ushered guests with Mayton (Butch) Record of Tahoe City and Auburn and Arlin Scott.

After the reception held at the church, the newlyweds left for a brief honeymoon along the coast, returning Tuesday to Sacramento where they will make their home until they both finish college at Sacramento State. They are residing at 2100 27th Street, Apt. 2 and have been happily receiving best wishes from their many friends.

POLAR DEFENSE IS SUBJECT OF TALK

TAHOE CITY—Jack Thomas, administration officer of the Pacific Telephone and Telegraph Company, speaking before a recent dinner meeting of the Tahoe City Rotary Club at Tahoe Inn, told how the boundary lines of Alaska had been determined and how a $600 million electronic defense system has now been built around the Polar Cap.

The speaker said the defense system, referred to as the "electric fence" around the Polar Cap and covering an area of 1,000 miles was accomplished under the most difficult and hazardous conditions with two thirds of the time in total darkness, far below freezing weather and snow drifts that covered living quarters with 30 to 40 foot depths.

The speaker told how the Russians are probing the outer fringe of the defense area every day by darting in and out and scores of Russion fishing boats ply the inner waters, probably to learn what they can of the electronic system and signals.

Asked if foreign planes had ever entered the defense area undetected, Thomas said his information was that they had not and that a submarine had even been detected in the outer fringe. He said the cost of the Polar Cap defense system was paid by the U. S. and several private industries including the Bell Telephone system.

Len de Gallery, district manager of Pacific Telephone was program chairman. President Ralph Bly presided over the 25 member meeting on January 31.

WOMAN INJURED

Mrs. S. A. Follett of Truckee received severe head cuts Thursday morning at 10:35 when a car driven by Everett Parker got out of control and overturned near Donner Lake. Mr. and Mrs. Parker escaped with minor injuries.

FOUNDER'S DAY

Founder's Day will be observed tonight at 8 o'clock in the high school edifice by members of the P.T.A. Mrs. Wilber Glenn will preside at the meeting and an invitation is extended to all interested persons.

California's first almonds were brought by the Franciscans for their mission gardens.

5,000,000 LBS. OF TOBACCO PUT UP AS COLLATERAL FOR A LOAN FROM FRANCE, ARRANGED BY BEN FRANKLIN, HELPED **TURN THE BATTLE** DURING THE AMERICAN REVOLUTION!

NATIVE GIRLS OF EQUATORIAL AFRICA ARE PURCHASED AS WIVES ON THE **INSTALLMENT PLAN**!

THEY MAINTAIN A DEGREE OF INDEPENDENCE UNTIL COMPLETELY PAID FOR....

ABRAHAM LINCOLN REFUSED TO SEE IMMEDIATELY THE COMMITTEE SENT TO NOTIFY HIM THAT HE HAD BEEN NOMINATED FOR PRESIDENT BECAUSE-- *HE WAS PLAYING BASEBALL!*

The Toodles

OUR TEACHER TOLD US ALL ABOUT ABRAHAM LINCOLN, AND IT WAS REAL INTERESTING —

DID YOU KNOW HIM, DADDY?

NO, HE WAS PRESIDENT LONG BEFORE I WAS BORN.

THAT LONG AGO?

YES-BUT HE'S BEEN AN INSPIRATION TO ALL BOYS AND GIRLS FOR ALMOST ONE HUNDRED YEARS.

I'D LIKE TO BE A PRES'DENT SOME DAY.

THAT'S SILLY, NO GIRL CAN EVER BE PRESIDENT!

WHY CAN'T A GIRL BE PRES'DENT, DADDY?

PERHAPS SOME DAY THERE WILL BE A WOMAN PRESIDENT.

SEE, PAT? I MIGHT BE PRESIDENT — AND IF I AM, I WANT TO BE JUST LIKE MR. LINCOLN WAS.
